Bibliography of Many Marginalized Voices

______. *Black Theology and Black Power*. Orbis, 1997.

1This bibliography was compiled and many of the resources were adapted from other syllabi by Dr. Jarvis J. Williams (Associate Professor of New Testament Interpretation at the Southern Baptist Theological Seminary in Louisville, Ky.). Many of the books and articles are written by ethnic minorities and women. I do not endorse every view in these sources, but as you will see when you begin reading some of these works, these sources contain a wealth of helpful information. This bibliography is not exhausted. There are too many names to mention here. But hopefully it provides a good place to start.

Note: See also the Reformed African-American Network Website for daily articles about the gospel, theology, race, justice, persecution, biblical interpretation, etc.
